Tongue twisters!

What is a tongue twister?

A tongue twister are words or sentences which are not easy to say when you say them again and again really fast!

Say 'red lorry, yellow lorry' 5 times as fast as you can!

Red lorry, yellow lorry, red lorry, yellow lorry, led lorry, lellow
Oh. it's not easy! Ok, can you say 'Fresh fried fish, fish fresh fried'?

Fresh, fried, fish, fish, fresh, fried, frish, fresh, fried, fri ... oohh haha

Try our tongue twisters!

'Helpful brother threw the frog'

'A crazy crab makes a crazy clock'

'Happy cat likes his hat'

'Happy Ham hold a ham, hold a ham'

'Friendly fatty throws flowers'

'Red Rebecca ran'

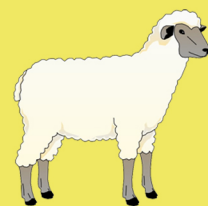

'Clever clock chased the cloud'

'Talkative toilet eats tigers'

'Mini mustard must be munchie'

'Fluffy flower swallows a fly'

'Jojo is joking with Jordan but, Jordan wants to
joke with Jojo'

'Lovely sheep saved the frog'

'A fisherman is fishing in the fishing pool for a fish'

We can borrow up to
five books each time.
These are my favourites!

We have two computer rooms. One for P1-3 and one for P4-6.

Here is our google classroom project.

We hold many activities in the hall like birthday parties and have many special guest speakers.

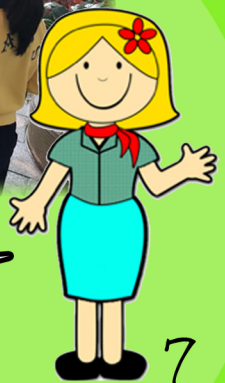

We have new windows and doors on our undercover playground. We now have air-con too.

My favourite type of flower is the tulip. They grow here in Herbal's Gallery.

Wow! Thanks so much!

Surveys

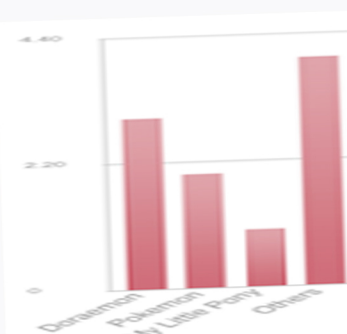

I did a survey about mobile phone games. I surveyed 10 people from our school. I found out that most people like the OT game. I think it is like this because this is always on YouTube. If I do a survey again, I will survey about computer games.

I did a survey about animals. I surveyed 10 people from 6B. I found out that most people like dogs and cats because they are cute. If I do a survey again I will ask about different animals.

I did a survey about cartoon characters. I surveyed 10 people from my school. I found out that most people like others. I think it's because there are too many others. If I do a survey again I will do the same with different choices. Mimimimimimi!

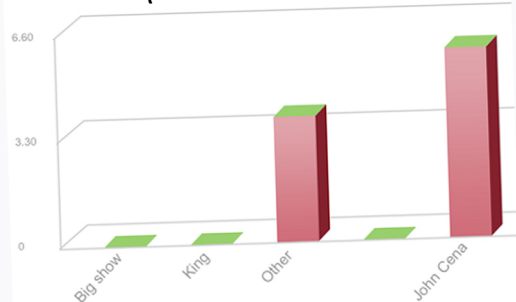

Hi I am Amy. I did a survey about desserts. I surveyed ten people who are older than me. I found out that most people like ice-cream. I think they like it because ice-cream is soft and sweet. If I do a survey again I will survey about movies.

I did a survey about people. I survey 10 people from class 6B. I found out that most people like John Cena. It maybe because he is strong and handsome. If I do a survey again, I will survey about mobile phone games.

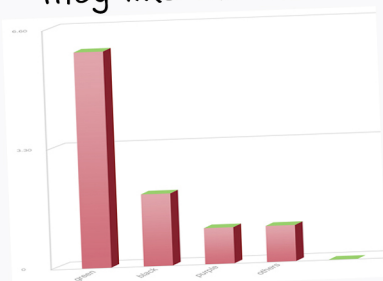

I did a survey about how much exercise people do each week. I surveyed 10 people from P5B, P6B and P5A. I found out that more people do exercise for more than 3 hours each week. I think it is like this because they like sports. If I do a survey again I will ask more people.

	A	B
1	Under 1 hour	0
2	2-3 hour	1
3	More than 3 h	5
	None	2

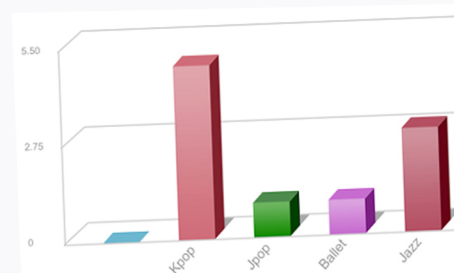

I did a survey about subjects. I surveyed 10 people from school. I found out that most people like P.E. I think they like P.E because it is interesting. If I do a survey again, I will change the subjects.

I did a survey about colours people like the most. I surveyed 10 people from my friends and family. I found out that most people like green. I think they like green because they like to be environmentally friendly. If I do a survey again I will survey which TV programs they like the most.

I did a survey about dancing. I surved 10 people who were teachers and our school students. I found out that most people want to join K-pop. I think it is like this because it is easy to learn. If I do a survey again I will do a survey about food. What kind of snacks do you like?

Correctional Services Museum

Dear Mr.Lee,

I'm glad that I have a chance to learn more things about old forms of punishment for prisoners. I was interested about that.

I enjoyed learning their and I hope I can go there again. It will be a pleasure for you to teach me more. Maybe I will go to Stanley and I can explore more about the museum.

Thank you very much!!!! Fion

Dear Mr. Lee,

How are you?

Thanks for teaching us on the day we came to the Correctional Services Museum. We had a great time there. We learned many interesting things about old forms of punishment for prisoners.

I had a useful history lesson there. I enjoyed that day very much. I think the most unforgettable thing is the Crank that used to punish the bad people. I want to see it again!

Thank you very much for teaching us!

Kind regards,
Florence Leung.

Dear Mr.Lee,

How are you? We learned a lot of history about the museum. I enjoyed learning about the difference between old and new corporate punishments. Thank you for being our tour guide. Thank you very much,
Kim

Dear Mr.Lee,

Love Erica

Dear Mr.Lee and Mr.Murthy

I am glad I have chance to meet you and thank you for teaching us about old forms of punishment for prisoners. I enjoyed learning about the difference in old and new corporate punishment. I knew that the old punishment is scary and cruel.

Love

Nicole Ma

Dear Mr.Lee

Hi Mr.Lee! How are you? Thank you for your tour in Stanley. If I have a chance I'll definitely come again!

I learned a lot of new things about punishing bad people. I like the Mock Gallows the most because people die in a faster and more painful way. I think the old prison cells are better because it is bigger and it has more private space than the new ones. They have holes in the iron bars. I enjoyed the tour very much even though I was sick and didn't hear most of the tour.

I hope I can come again! Thank you very much!!

Best regards,
Vic
