Secondary School Places Allocation (SSPA) System 2011/2013 – Secondary School List

This Secondary School List (SSL) is comprised of schools, viz. schools in own district and schools in other districts, for central allocation in this school net for the SSPA System 2011/2013. Schools in own district refer to secondary schools physically located in the district. Schools in other districts refer to secondary schools physically located in other districts and provide school places for central allocation in this school net for the SSPA System 2011/2013.

The school information in this SSL (as at March 2013) is for reference of parents when making school choices in **Part B** Restricted School Choices of the Secondary One Choice of Schools Form (Choice Form).

Before filling in the Choice Form, parents should check whether the school net printed on the cover page of this SSL is the same as that shown in Student's School Net on their child's Choice Form. In case of discrepancy, parents should inform their child's primary school immediately. Parents should also refer to the Notes for Parents on Central Allocation and enter, in order of preference, a maximum of 30 schools from this SSL in **Part B** of the Choice Form.

Basic information about secondary schools is available in the Secondary School Profiles 2012/2013 distributed in December 2012 by the Committee on Home-School Co-operation.

III Points to Note

Starting from the 2013/14 school year, schools would be allowed to operate a minimum of two approved classes for each level. However, they are required to offer diversified elective subjects through flexible deployment of resources, and/or different means and strategies to provide students with a broad, balanced and sustainable senior secondary curriculum. For schools operating one S1 class, they can apply for school development options [Note]. These schools can continue their operation if they can prove themselves capable of providing a broad, balanced and sustainable senior secondary curriculum.

[Note] For details of the current Development Options for schools, please refer to EDB webpage (<http://www.edb.gov.hk> > School Administration and Management > Administration > About School > Development Options for Secondary Schools)
